                     Larry Wyckoff, DFW
1. Call to Order ~ The Suisun Resource Conservation District Board of Director’s meeting was called to order at 2:03 PM.

2. Public Comments ~ No Public Comments

Closed Session was moved to the end of the meeting.

3. Open Session ~
   a) Approval of the January 11, 2017 Board Meeting Minutes ~
   A motion to approve the minutes from the January 11, 2017 Board Meeting was made by Mr. Lenk and seconded by Mr. Lewis; all were in favor and the motion carried.

4. Financial Reports ~
   a) Approval of Vendor Claims for January 2017 ~ Mr. Chappell reported the January 2017 General Fund vendor claims noting an error on the summary total due to a duplicate listing in the amount of $2,386.84, thereby reducing the total of the General Fund vendor claims to $46,317.76. Mr. Connolly made a motion to approve the General Fund vendor claims for $46,317.76 and Mr. Waters seconded the motion; all were in favor and the motion carried. Mr. Chappell reported the January 2017 LJI vendor claims for $7,616.32. Mr. Connolly made a motion to approve the LJI vendor claims for $7,616.32 and Mr. Waters seconded the motion; all were in favor and the motion carried. Mr. Chappell reported the January 2017 Special Revenue vendor claims total of $16,945.80. Mr. Connolly made a motion to approve the Special Revenue vendor claims total for $16,945.80 and Mr. Waters seconded the motion; all were in favor and the motion carried.
   b) 2nd Quarter FY 16/17 Budget Summary Review ~ Mr. Chappell reviewed for the Board the revenue and expenditures for each of the departments of the General Fund and Special Revenue Fund for the second quarter of fiscal year 2016-2017.

5. Department of Fish and Wildlife (DFW) Report ~ Mr. Rocha reported for DFW, GIWA starting off with the pig hunt applications are due in by February 14, @ 2:00 pm. This will be the first year that applications can be submitted on line. The pig hunts are planned for March 4-5, 11-12, 18-19, and 25-26, and April 1-2, 8-9, 15-16, and 22-23, 2017. Mr. Rocha also stated that due to the GIWA levee issues we have closed GIWA to all public use. GIWA staff with the help of a couple of CDCR inmate crews over a 5 day period placed close to 5,000 sandbags using approximately 100 tons of sand and 1400 linear feet of plastic. Their efforts payed off allowing them to hold off the worst sections of levee from further erosion until the dredger barge arrived to build those levees back up.

6. Department of Water Resources Report ~ Mr. Michal Koller distributed the DWR Suisun Marsh briefing packet and reviewed for the Board the Suisun Marsh salinity conditions for January and the beginning of February 2017, noting the low salinity readings, amount of precipitation, and the current outflows. Mr. Koller provided a DWR facilities update for Roaring River Distribution System stating that 13 locations were sandbagged and or plastic sheeting placed to stabilize the levee and prevent further erosion and Morrow Island Distribution System had a large tree fall into the ditch and was removed. Precipitation is currently at 210% of average. Mr. Chappell discussed repairs
needed to Roaring River levees and the inability of DWR to get work done when needed.

7. **Suisun Resource Conservation District Reports ~**
   a) **2015 Suisun Marsh Preservation Agreement Update and PAI Grant Program ~**
      Mr. Chappell reported the following: Drought Response will not be triggered for a third year, the 2017 PAI Grant Cost Share application packages were mailed out after the January Board Meeting, and Water Managers have already taken several landowner phone calls with questions about proposed projects.

   b) **Suisun Marsh Plan Update ~**
      Mr. Chappell stated that on January 19, he attended a Principals meeting and nothing else to report other then restoration projects moving forward. DWR sent out a letter requesting tidal restoration projects. DWR is either in escrow or closed already on the purchasing three properties on Bradmoor Island, Overlook, Flying D, and Wildwing Duck Clubs.

   c) **USACE Permits ~ RGP3 & LOP Update ~**
      Mr. Chappell reported that SRCD has been actively working with the Corps on getting approvals on several urgent and unforeseen requests under the RGP3 and 5 applications that went directly to the Corps for emergency dredging under RGP 5., The January maintenance application package was sent out at the end of January. Mr. Chappell also discussed the Letter of Permission for our Dredging Program and prepayment to the Water Board for 100,000 cubic yards allocated of which to date we have only used 29,879. Some discussion ensued.

   d) **Water Manager Program Update ~**
      Mr. Wickland reported on the Water Manager’s work activities this past month including: assisting landowners with flood damage permitting, portable pump installation on four clubs for flood control, processing the January maintenance application package, exterior work notifications to NMFS, writing and editing newsletter articles, water management, RWQCB staff support, gate monitoring prep and reporting, mailing out the PAI Cost Share applications, salmon and rail restriction letters and spring burn notifications.

   e) **Lower Joice Island Update ~**
      Mr. Wickland reported on the LJI Caretaker’s activities on LJI which included facility and grounds maintenance, flood fighting, and pond level maintenance, equipment and solar power system maintenance, boat and tractor maintenance, and hauling supplies. Mr. Wickland also reported that Mr. Witherspoon has been also providing any support needed to a SFSU zooplankton sampling crew, the post season meeting and walk thru with the LJI Hunt Group has been scheduled for 2/23/17.

   f) **Summary of Past & Future Meetings, Tours, and Presentations ~**
      Mr. Chappell reported attending a two Pacific Flyway meetings, one was with the architect and the other was with the full Flyway Committee. At this meeting a debate on whether or not there were seasonal wetlands located on the project site, and if so mitigation will be needed. Also discussed, hiring an environmental consultant to provide the required CEQA documents. Mr. Chappell also attended a meeting with UC. Davis to discuss a Prop One Grant they were awarded from DFW to do a Primary Productivity Study on managed wetlands contribution to supporting the native fish population in the upper Suisun Slough area some discussion ensued. Mr. Chappell also stated that he was asked to submit an application to sit on an advisory committee for the San Francisco Restoration Network. Mr. Vaccarella discussed a television show segment he watched on the Pacific Flyway Center. Some discussion ensued.

8. **Suisun Resource Conservation District Committee Reports ~**
   a) **Agency Committee ~ No report**
b) Legal Committee ~ No report  
c) Personnel Committee ~ No report  
d) Finance Committee ~ Mr. Connolly discussed an article published in the CSDA magazine, on prefunding pension contributions, currently our surplus funds our in the County earning between 1 and 2 percent, Mr. Connolly stated It might be beneficial to discuss this further with the County Treasurer. Some discussion ensued.  
e) Associate Directors Report and Public Relations Committee ~ No report

9. Closed Session ~ 1. Conference with Legal Counsel – One case –Potential Litigation (Gov. Code Section 54956.9 (c))

10. Reconvene ~ Mr. Vaccarella stated there was no action taken.

11. Adjourn ~ Meeting adjourned at 3:58 pm.
