

Managed Wetland Assessment Permission Form

Club _____ # _____

- I wish to participate and grant permission for SRCD and CWA to access our property and record data on water control, staff gauges, and needed pond bottom elevations. These data will be used to model drainage to help us meet 30-day flood and drain objectives.
- I do not wish to participate.

Point of Contact: _____ Tel _____ Email _____

Signature _____ Date _____

Printed Name _____

For modeling club flood and drain hydrology, please provide your pond water levels below:

Example:			
Staff Gauge Name (if any):	Ditch Clubhouse		
Location (coordinates if available, description):	Behind clubhouse off deck		
Shoot Target	5.2	Low Level	5.0 High Level 5.8

Staff Gauge Pond Name (if any): _____

Location (coordinates if available, description): _____

Target Shoot Elevation _____ Low Shoot Level _____ High Shoot Level _____
